

GreenSpirit: *Path to a New Consciousness*

Marian Van Eyk McCain

Sept. 12th ~ Sunday ~ 2 PM

Chatham Real Food Market Co-op

Upstairs Community Room

15 Church Street, Chatham, NY

On Sunday afternoon, 2 PM, September 12th, ***Marian Van Eyk McCain*** will be speaking at the Real Food Market Co-op, 15 Church Street, Chatham, NY, about her new book ***GreenSpirit: Path to a New Consciousness***. (Note: the Co-op is not open for business on Sundays.)

Only by understanding the Universe as a vast, holistic system and Earth as a unit within it can we help restore balance to that unit.

Only by placing Earth and its ecosystems – about which we now understand so much – at the centre of all our thinking can we avert ecological disaster.

Only by bringing our thinking back into balance with feeling, intuition and awareness and by grounding ourselves in a sense of the sacred in all things can we achieve a new level of consciousness.

Please join us as Marian Van Eyk McCain discusses *GreenSpirit* ~ a comprehensive manual for eco-spiritual, green and sustainable 21st century living. Real Food Market Co-op, upstairs Community Room, 15 Church St., Chatham, NY ~ Sunday, Sept. 12, 2 PM. There is no fee to attend, but donations will be gratefully accepted. Books will be available for purchase.
